Travelling by car

Non-residents' vehicles are not allowed from the end of March to the beginning of November in Capri. Guests travelling by car are, therefore, recommended to leave their vehicles in a secure car park on the mainland.

- **Car parks near the port of Sorrento – Marina Piccola**

Car park is located close to the boarding area. There are numerous other car parks in town.

- **Car parks In Naples – Molo Beverello**

The closest car park is Buono car park. Should this be full, vehicles can be left in the Brin car park, which is close to the motorway exit. From there you will need to take a taxi or bus to get to the port.

How to reach the center of Capri

Capri Tiberio Palace lies in the heart of Capri town, at 11-15 Via Croce. The town centre can be reached by both bus and taxi. Capri town centre and 'Piazzetta' can be reached by:

- **Funicular railway**

The funicular railway connects Marina Grande port and the town centre in just 3 min. The train departs every 15 minutes. The entrance to the funicular railway is located opposite to the docks. The ticket office is situated on the right of the port.

- **Taxis**

Taxi station is right outside the port. The fare to get to the centre of Capri is 15-20 euro. We advise guests who decide to take a taxi to still use the luggage delivery service, as taxis cannot get into the free traffic zone where the hotel is located.

Luggage handling service is organized by a local company – the only one being authorized – with pick-up at the port and delivery at the hotel. Fee is 12 euro per piece.
